DEC 1, 1988 - DEC 30, 2022

**T** Tyler was preceded in death by his loving grandparents Lemalle (Cherry) and Floyd Amos Godwin of Anniston, AL. He also survived by his mother and father Sheila (Hughes) and Tony Godwin of Shelby County. He loved and is survived by his siblings, Brian Godwin (Patricia), Michael Godwin (Ashanti), Toni "Fer-Fer" McKenzie (Adam), Logan McLeroy (Deanna) and many nieces and nephews. Tyler enjoyed riding his motorcycle and spending time at the beach. He loved being with his family and we will carry his "million dollar" smile in our hearts. Sleeping with Jesus in Eternal Rest.

A memorial service will be announced in the coming weeks.

Mom and Dad miss you so much..I will never forget when you were born on that cold December 1st the waiting room full of people just so anxious to see you. How right you were mom looked at you and held you in her arms and she just had a glow and such a love for you. I didn't have the heart to take you away from her she held you nearly every second of the day. I know you loved for me to tell you that story. I'm telling it now just for you. Dad misses his grass cutter and hours he loved talking with you. I wish you would have stayed I wish you knew how much we needed you.

**SM Sheryl Your Mom** December 2 at 3:18 AM

Listening to Shallow Cove Coastline your birthday was yesterday and it's been the most hollow feeling ever. Christmas is coming and it's hard to put up the tree because I want you to be here to see it. I remember you sleeping by the tree you loved the lights so much it's hard not to remember anything but you by that tree. I can still feel the room the smell of everything and you so alive. Everyday is hard without you. I can't believe it I can't believe you are gone and I can't see you or call you. We all miss you so so much. I break down in tears every time Tony talks about you because I can feel mine and dads heart just break every day too. Please somehow know we will never forget you. Not a minute goes by that we don't think of you.

Every day without you just gets harder to handle. I woke up wishing you were here and wishing I could put in a movie and make you some coffee. Time doesn't make it easier I just hate the days because it's one day further away from the last time I saw you.

**Sheryl** June 18 at 8:38 AM

Tyler Brenda was talking to you out of the scriptures today. I know it would make you smile to know that on Fathers Day because you love Tony so much. He misses you. His heart is so sad that your not here to talk to and study scriptures with you. We all miss you so very much.

**Sheryl Renee Mcleroy** May 2 at 7:55 AM

I was listening to Adele today the song Take it Easy...I wish we could have listened to it or sent it to each other. I know how you loved music. I can't believe you are not here to talk to and share things with. I loved your philosophy of life and your kindness for those less fortunate. Even when times were tough on you you would think of others and their feelings and recovery was so important to you. Not everyone is like that. What a beautiful person you were. I miss you.
