**Telly Munn** shared a photo to the **Tribute Wall** album.

Growing up without a dad you build up in your mind what the perfect dad is like and the things you'd do together. Even though I was already a grown man when Tom came into my life he was everything I had thought a dad should be and more. It may have taken a while, but I eventually got my perfect dad. You may be gone, but you will never be forgotten. I love and miss you

Though we only met Tom Brock the one time I can honestly say he was a friend to have and remember! Rest In Peace dear friend!
