I finally found you but I see it's too late. (For now) I'll see you again when it's my turn to return home. I met Ginger and Danny in 1988. She was my maid of honor. With her and Danny I got saved. I'll never forget you and I love you. Maureen

We have known Ginger since our time in Rochester, New York from 1974 through 1976. She loved life, loved her family and cared for so many people. She always said what she thought so you always knew where you stood with her! We know she will be sadly missed by so many.

It's a special bond that allows much time to pass between visits and yet you can pick right up where you left off. We had that, my cousin and I. I loved her and she loved me; a true gift. Will miss you ❤️
