Cody Lynn Edwards

FEB 6, 1991 - SEP 20, 2024

It is with heavy hearts that we announce the passing of Cody Lynn Edwards, born on February 6, 1991.

Cody is preceded in death by his grandfather Terry Carden and he is survived by his son Collin Thomas Edwards, his mother Lori Lynn Edwards (Terry Harris), his father Joey Paul Edwards (Lisa Holmes), his brother Christian Taylor Edwards, his grandparents Dale and Linda Sears, Lynn and Carmon Edwards, several aunts, uncles, and cousins

He was a loving father, devoted to his 4-year-old son, Collin, who was the light of his life.

Cody had a passion for cooking, often sharing delicious meals with family and friends. His ability to draw was unmatched, he cherished his time outdoors with Collin, especially fishing, and was a devoted fan of Alabama football, proudly proclaiming "Roll Tide!"

A true music lover, he found joy in hard rock, and he was an avid fan of Marvel movies, often sharing his enthusiasm with those around him.

Cody will be deeply missed by all who knew him, and his spirit will live on in the memories shared with family and friends.

A time of visitation and fellowship will be held on Monday, September 23, 2024, from 1:00 p.m. until 3:00 p.m. at the Magnolia House at Cremation Services of East Alabama.

In honor of his love for life, we invite all who knew him to celebrate his memory.

Sweet Cody Lyn... we were a lifetime ago. We made so many memories and we fought like hell for our love through the distance. You were one of a kind and it was an honor to be loved by you. You always made sure I was laughing, you let missing you be so easy, even though it was so hard. Moving states, so we could be together. You were so good to me. To be kids, again. So many fun times together. I'm truly devastated to know that you're gone. Fly high and be at peace. God rest your soul.

I will never forget us exploring the woods as kids at your pawpaws house while our moms gossiped on the porch. Or you letting me play your video games even when you didn't want to. You were always such a bright light in a dark world. You will be forever missed cousin.

Cody Lynn, you will be missed so much. I will cherish every memory I have of us as kids on up to our last texts sent to each other. You were such a special cousin to me and never had a complaint about anything. I love you and will miss you.

I can't believe you are gone. I will forever miss that wonderful smile. I always looked forward to when you came into work. You always would come up to me with that smile and fist bump. I remember when you and Collin came over to make Christmas ornaments with some of the crew. The love you had for you son was unstoppable.
