There'll be no sorrows there
No more burdens to bear
No more sickness and no more pain
No more parting over there
But forever I will be
With the one who died for me
What a day, glorious day that will be...
Until we meet again please know I'll miss you and how much we love you. Can't wait to hear your laughter again. You literally lit up the room with your presence. You always knew exactly what to say to make us laugh. Love you always
