She could be a force to be reckoned with and proved that in her fight to beat the health issues she battled for the past few years. Our family loved her and her dedication to making our adventure in the horsing world a fun time. As you can see from the pictures this was a few decades ago, but we continued to love her and her family long after "Blinker" (Black and Ebony) was no longer in the picture. May the love and prayers and beautiful memories bring you all much comfort.
