My beautiful Vanna...I have no words. The suffering, the loss..it is just so big. I will miss so so many things about you. I miss the time we took for granted. I pray for your sweet boys as they learn how to navigate life without their mother. I pray for your entire family and your friends. You really had so much life ahead of you. No one can possibly prepare their hearts for this. I love you to the heavens. God bless you and keep you in his loving arms sweet girl. Always, Aunt Shelley

Over so many years of our history before you and alisanne (your biggest downfall) you were so fun to be around and funny and you never judged me you was always my friend I hate that we lost sight of true honest friendship , I hope and pray that there's a life after this bc savvvy you'll always be my friend. I'm sorry I wasn't a better one lately
