# Krystal Livingston Duran

OCT 5, 1966 - FEB 17, 2025

**W**ith heavy hearts, we share the passing of Krystal, who left us suddenly on February 17, 2025. She was a beloved mother, sister, daughter, aunt, cousin and friend, and her presence brought warmth and light to those who knew her.

Krystal had a deep love for the simple joys in life. She found happiness tending to her garden, growing beautiful flowers and fresh tomatoes and peppers with care. She had a passion for cooking, especially grilling outdoors — where she created meals filled with love, laughter, and togetherness. But more than anything, she loved her family, and despite life's challenges, that love always remained at the center of who she was.

She is deeply missed by her family and friends who will forever cherish the memories of her kindness, humor, and the special moments

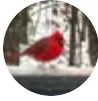

Though she is no longer with us, her love, her laughter, and the beauty she brought into the world will live on in our hearts forever. Now free from the struggles and pains of this life she is rejoined with our beloved mother and father.

I'll never forget working with Krystal at Jack's in Ashville watching her freeze her booty off in the drive-thru window. She always came prepared with her ear muffs, boggin, and gloves. She never failed to make me laugh. She will be missed greatly. I wish I could have spoken to her one last time before she parted this earth. I know she loved her daddy, and it gives me comfort knowing that she is rejoined with him. Rest in peace sweet lady.
