I'm so glad that we had kept contact with each other all these years you were a good person a friend a good mother , Daughter, wife ,, sister and aunt. You always had a smile on your face when you came to the store with little Matthew and his carrying chair you would always ask me questions and I try to answer him the best I knew how you would always catch me up with your family my heart goes out to everyone in your family. Specially, your mom and dad they should not have lost a child and your children should never go without a mom. My heart is so broken right now you were so young. You still had so much life.Now it's time to spread them wings and fly high and keep an eye on your loved ones You will be missed dearly my friend
