Danny and I shared a special friendship. He was always saying that we were cousins. I loved to hear him say that. We caught up after a long absence and when we did we talked often and shared many memories. He would always say I was his first girlfriend. I loved Danny deeply and we kept in touch and then we didn't. I thought of him often and a couple of times he shared that he was not well. I would always tell him I loved him and he would say it right back. God only knows where Danny is but I believe I'll see you soon my friend. ❤️ you soon my friend. ❤️
