Bridget Garrison posted:

we will deeply miss you Logan, your words and speeches you have given me will always forever stick with me. I will always love n miss you. God had taken you bit too early in life but he needed you with him in heaven. Logan Gladden was a big man of god and always talked about him when he needed to. He always showed his support and love for anyone he knew even if he disliked them. He will forever be remembered for his kindness and love he has showed for always, like Jason said "its not a goodbye., its a see y'all later." ❤️🕊️
