Oh my dear friend, Nick. I'm absolutely gutted by the news of your passing. I was thinking of you the other day and am now kicking myself that I didn't reach out to you to let you know you were in my thoughts. I will always cherish meeting you online all those years ago and the care and consideration you always had for me.

You were one of the kindest people that I never got to meet face to face but I know that if I had, it would've been like getting together with an old friend. I hope you're soaring in the clouds that you were so deserving of being among. Until we meet again. ♥

To one of my oldest and dearest friends. Words can not describe my feelings right now. As a friend I'm hurting and missing our talks. But as your brother in Christ I know your home with our Lord and Savior Jesus Christ. So until I see you glory rest in the arms of Jesus. 2 Timothy 4:7 HCSB[7] I have fought the good fight, I have finished the race, I have kept the faith.
