Joe you are loved so much !! I loved spending everyday with you just talking about anything and everything. Watching you wild Wild West shows. I could not go a day without talk to you. You are loved so much and missed tremendously. I will never be the same until I'm with you again. My heart is so broken and shattered. You and I went to school together in the same classes and same teachers you was my ( your sister ) protector through life and my #1 go to person I could come to you with anything and you always had the answers. I don't think I can do this life without you in it. Baby sister loves and misses you tremendously. Life will never be the same. Until we meet again brother I hope it's soon. I hope you are rejoicing in heaven with daddy and Wayne and all other loved ones gone on before us. Let them all know they are missed and never forgotten hope you , Daddy and Wayne our brother are playing your guitars and singing sweet songs for Jesus and rejoicing with all the angels. No more sickness or pain and you are restored with a new body and sight keep watching over us brother I will meet you again. I'll not be satisfied until I meet you again in that bright city in heaven !!!You will forever be missed and lovedSo much.
