## **Dr. Laura Pruitt Walker**

AUG 21, 1967 - APR 20, 2026

**L**aura Walker entered the gates of heaven at the age of 58 on April 20, 2026. She was born August 21, 1967 and was a resident of Southside Al.

Laura loved helping people in all walks of life but she found comfort in helping children and adolescents. She got her nursing degree in 1997 and specialized in psych nursing. She started her educator career at JSU in 2008 and later furthered her own education. In 2019 she became a doctoral educator at JSU where she taught graduate students.

To know Laura was to love her. She left a piece of her heart with everyone she encountered. She loved to celebrate Christmas and loved her family deeply.

She is survived by her loving husband of 33 years Dannie Walker; son, Corey Walker; daughter, Megan Fleming (Josh), grandbabies; Henry and William Fleming; Parents, Ralph & Laverne Pruitt; Sister, Kim Rhodes (Trey); Nieces, Kayla Dausch (Jimmy), Kerri Rhodes (Quent), Kristen Rhodes (Logan); nephew, Chase Rhodes (Maci) and many extended family and friends.

She is preceded in death by her mother, Melody Tumlin Pruitt; Grandparents, Amos & Dorthy Tumlin, Rufus Pruitt & Bertie Autwell.

Her family would like to extend a sincere thanks to the staff at Alabama Hospice and her sitters Regina and Denise.

A Memorial Service will be held at The Magnolia House at Cremation Services of East Alabama on Wednesday, April 29th, 2026 at 5:00 PM.

Thank you, Dr. Walker, for the time, patience, knowledge, and compassion you poured into your patients and JSU Students (including me as I worked towards my BSN-DNP) during your career. We're lifting your family up in our prayers that they may feel just as loved as comforted as you made all of us feel. 🙏❤️🕊️🙏

She had left Mountain View to teach at JSU not long before I started working as a tech at Mountain View while I went back to school at JSU to be a nurse. She was my psych professor & a mentor, not just to me, but so many students at JSU. She was so passionate about mental health & the safety of the patients. She is part of the reason I'm a psych NP today. You could talk to her about anything & I always loved her paintings she'd share on Facebook. She has always been such a light. She is going to be greatly missed ♥
