William Albert Tankersley, age 68 of Highland Home, passed away on Saturday, May 29, 2021, at Baptist Medical Center South in Montgomery.

Mr. Tankersley was preceded in death by his mother and father, Lonie Bell and MV Tankersley; sister, Sarah Gothard; and son, Chris Tankersley.

He was so very loved by his children and family!

“ I don't guess I even know where to start. I have some very lasting memories of him. Funny thing is most of the time we couldn't stand each other but by the end of it all we would be hugging and telling each other how much we loved the other. It gives me a heavy heart to say I haven't seen him in over 2 years now but I will truly miss this man.
